

1<sup>st</sup> January 2012

Dear Colleagues

I would like to introduce myself as the new Chair of FLSE (East) and hope that you are able to attend our forthcoming Eastern Region Conference at Wyboston Lakes on 15 & 16 March 2012. Jointly arranged by FLSE East and engage, this year's theme is 'Climate Change: Emotional Intelligence in Leadership'.

As a Head Teacher of fourteen years I rely on the support of colleagues in other Special Schools across the region to continue to respond to the ever changing educational environment. Our abilities and resilience to meet all the demands of Leadership in this ever-changing world will be looked at in some detail over the two days Conference. It will also give us all an opportunity to network and catch up with issues.

If there are any matters that you would like to bring to the attention of FLSE East please feel free to contact me at the addresses given below.

I hope that you can find time to attend our Conference and I look forward to meeting you in March.
